SECTION VII - PRIVACY ACT STATEMENT

AUTHORITY: 10 U.S.C. sections 1061 - 1065, 1072 - 1074, 1074a - 1074c, 1076, 1076a, 1077, 1095(k)(2), E.O. 9397.

PRINCIPAL PURPOSE(S): To apply for the Uniformed Services Identification Card and/or DEERS Enrollment.

ROUTINE USE(S): To appropriate business entities, individual providers of care, and others, on matters relating to claims adjudication, program abuse, utilization review, professional quality assurance, medical peer review, program integrity, third party liability, coordination of benefits, and civil and criminal litigation.

To the Department of Health and Human Services, the Department of Veterans Affairs, the Social Security Administration, and to other Federal, state, and local government agencies to identify individuals having benefit eligibility in another plan or program.

Applicant information is subject to computer matching within the Department of Defense or with other Federal or non-Federal agencies. Matching programs are conducted to assure that an individual eligible under a Federal program is not improperly receiving duplicate benefits from another program. A beneficiary or former beneficiary who has applied for privileges of a Federal Benefit Program and has received concurrent assistance under another plan will be subject to adjustment or recovery of any improper payments made or delinquent debts owed.

DISCLOSURE: Voluntary; however, failure to provide information may result in denial of a Uniformed Services Identification Card and/or non-enrollment in the Defense Enrollment Eligibility Reporting System. Failure to provide a beneficiary's Social Security Number renders that beneficiary ineligible for health care services in Military Treatment Facilities. However, emergency health care services will be provided to the extent furnished members of the general public.

SECTION VIII - CONDITIONS APPLICABLE TO SPONSOR OR APPLICANT

I understand that the actions of the recipient(s) of the "Uniformed Services Identification Card" issued as a result of this application are my responsibility insofar as proper use of the card for benefits and privileges authorized; i.e., medical and dental care, exchange, commissary, and morale, welfare, and recreation programs. I will cause the recipient to surrender the card immediately upon call to do so or when appropriate under applicable regulations, and will notify an agency designated to grant authorization for privileges and facilities in event of any change in status affecting a recipient's eligibility therefor.

I am aware that medical care furnished in uniformed services facilities is subject to availability of space, facilities, and the capabilities of the medical staff to provide such care. Determinations made by the medical officer or contract surgeon, or his/her designee, as to

availability of space, facilities, and the capabilities of the medical staff shall be conclusive.

Reimbursement shall be required for any unauthorized medical and dental care furnished at government expense. Copies of regulations concerning eligibility requirements are available in the Service Personnel Offices.

By signing this document, the sponsor or applicant certifies that he/she is aware that eligibility for benefits under the Civilian Health and Medical Program of the Uniformed Services (CHAMPUS) terminates for all beneficiaries, except spouses and children of active duty members, and certain disabled beneficiaries under 65, when the beneficiary becomes eligible for Medicare Part A, Hospital Insurance, through the Social Security Administration.

**PENALTY FOR PRESENTING FALSE CLAIMS OR MAKING FALSE STATEMENTS
IN CONNECTION WITH CLAIMS: FINE OF UP TO \$10,000 OR
IMPRISONMENT FOR UP TO FIVE YEARS OR BOTH.**

1-12. DEPENDENCY DETERMINATIONS FOR DOD CIVILIAN AND CONTRACTOR SPONSORS

a. General.

(1) DOD civilian and contractor sponsors issued ID cards according to AR 600-8-14 or this regulation may request determinations of their family-member dependency status from their sponsoring agencies (b below) for the types of family members listed in AR 600-8-14, paragraphs 19.21, 19.22, and 19.24. Family members not listed in AR 600-8-14, paragraphs 19.21, 19.22, and 19.24, are ineligible for dependency status. Family members who do not meet the eligibility requirements for dependency status and family members who meet the relationship requirements but not the support requirements stated in paragraphs (3) and (4) below may be eligible for member-of-household status according to chapter 8 of this regulation.

(2) Dependency implies an existing condition. Previous dependency or the possibility of future dependency does not determine current dependency.

(3) The family member's (dependent's) monetary income from all sources other than the sponsor must be less than 50 percent of the family member's (dependent's) monthly expenses.

(4) The sponsor must be responsible either by cash contribution or by value of services provided (such as room and board) for at least 50 percent of the family member's (dependent's) support.

b. Procedures.

(1) The civilian sponsor will submit a written request to the sponsoring agency for determination of family member dependency status. The request must be sworn to by both the sponsor and the family member and be notarized. Requests will include the documentation listed in AR 600-8-14, attachment 5, and—

(a) A statement as to whether or not the family member was claimed as an exemption on the sponsor's last income-tax return. The statement will provide the name of the internal revenue district to which the return was sent or the reason why the family member was not claimed.

(b) A statement as to whether or not the family member is living in the sponsor's household and, if so, for what periods.

(c) Statements and documents providing evidence of the family member's total monthly income and personal living expenses and the sponsor's total contributions toward the family member's total monthly personal living expenses when the family member is—

1. A child over 21 years old and incapable of self-support because of a mental or physical incapacity that existed before age 21.

2. A child under 21 years old who is illegitimate and whose paternity has not been judicially decreed.

3. A parent.

4. An adoptive parent.

5. An adoptive parent-in-law.

6. A stepparent.

7. A stepparent-in-law.

(2) Sponsoring agencies will determine eligible family members. Written approvals or disapprovals ((a) and (b) below) will be prepared and provided to sponsors. Questionable requests will be coordinated with the local staff judge advocate office. As a minimum—

(a) Approvals will include guidance on when and where to report for issue of the family member's (dependent's) ID card, advice on the documentation required by the ID card-issuing agency, a statement explaining the procedures for renewal or advising the sponsor and family member (dependent) that authorization cannot be renewed and why, and a statement informing the sponsor that he or she must immediately return the family member's (dependent's) ID card to the sponsoring agency if the family member's dependent status ends before the ID card expires.

(b) Disapprovals will include reasons why the family member is ineligible for dependent or member-of-household status and advice on alien registration, control rules, or the agency to contact for this information (for example, the embassy or consulate of the family member's home country).

(3) ID card-issuing authorities will issue DD Form 1173 to family members with approved dependency determinations.

c. Identity Document. Family members with approved dependency status will receive DD Form 1173.

d. Expiration Date. The expiration date on ID cards issued to family members granted dependency status under this paragraph will be the sponsor's current tour-completion or contract-expiration date, or the date the family member's dependency ends, whichever is earliest.

e. Authorized Support. Family members granted dependency status under this paragraph are authorized the same ILS as their sponsor.

f. Special Instructions.

(1) Sponsors will send requests for renewal of the family member's dependency status to the sponsoring agency 30 days before the expiration date on the family member's ID card. Requests will include a complete copy of the previous approval, a copy of the approved extension of the sponsor's tour-completion or contract-expiration date, and documented evidence of continued support.

(2) Requests for renewal of dependency status for some family members cannot be granted. Examples of family members for whom requests cannot be granted include children who—

(a) Marry, regardless of their age.

(b) Turn 21 years old and are not enrolled full-time in an institution of higher learning or mentally or physically incapacitated. Children of APF and NAF civilian employees who traveled to the European theater as family members (dependents) at Government expense and became 21 years old during the sponsor's overseas tour may qualify for member-of-household status according to paragraph 8-1.

(c) Turn 23 years old and were not mentally or physically incapacitated before age 21.

(3) Temporary ID cards will not be issued pending approval of the sponsor's tour-completion or contract-expiration date, request for dependency determination, or renewal of the dependent status.
